No. 5156-90—Fl.428, DATED, BANGALORE, 5TH DECEMBER 1896.

ORDER.—In drawing the attention of Heads of Departments and of the Deputy Commissioners of districts to Government Proceedings No. 24251-84—R. 3538, dated 19th June 1895, Government direct that no advance shall ordinarily be drawn from treasuries without the previous sanction of Government and that, if, owing to pressing urgency, it becomes absolutely necessary to draw any advances without such sanction, the matter should be immediately reported to Government for orders.

2. All advances drawn should be adjusted *punctually* within the time allotted therefor, and reports thereof made to Government without loss of time. When it is found that any advance cannot be adjusted within the time fixed, the sanction of Government should be obtained to an extension of the period for adjustment.

3. It is hoped that these instructions will be strictly followed by all Officers concerned.

Proceedings of the Government of Mysore, Revenue, dated 19th June 1895.

READ :—

Letter No. 4294, dated 7th January 1895, from the Comptroller to the Government of Mysore

I have the honor to forward herewith two reports one from the Bangalore, another from the Mysore District Treasury, of advances having been made from the Treasuries on the authority of the Deputy Commissioner without sanction of Government and the usual instructions from this office.

2. While fully realizing the urgent necessity in both cases, I yet feel it my duty to point out that such payments from Treasuries are altogether opposed to the Account Code Article 5 of which is very clear and peremptory on the point.

3. The only advance which Heads of Departments are authorized to sanction on their own responsibility are enumerated in Article 137 and the advances now under objection do not come under it

4. This is not the only instance brought to the notice of Government in which such unauthorized payments have been made from District Treasuries.

5. I consider, therefore, that some special orders of Government are necessary, strictly prohibiting such payments, but giving at the same time some facilities to Heads of Departments and Districts to supply themselves with funds to meet very extraordinary and emergent requirements.

6. I am, however averse to any special concessions in regard to advances being drawn from the Treasuries. They lead to advances being drawn and not accounted for, for years together. I would advocate the permanent advances of Deputy Commissioners and other Heads of offices, as require such special concessions, being increased, to say, Rs. 300 for Heads of Departments and the Deputy Commissioners of the Bangalore and Mysore Districts, and Rs. 200 for other Deputy Commissioners to meet urgent requirements, and recouped on detailed bills which come under the scrutiny of Government and the detailed audit of this office.

READ AGAIN :—

Government Proceedings No. 12342-77—L. F. 132-94, dated 15th February 1895.

No. 12342-77—L. F. 132-94, DATED BANGALORE, 15TH FEBRUARY 1895.

ORDER.—Frequent instances have occurred in which the Deputy Commissioners have taken upon themselves to spend money in anticipation of Government sanction. This is not right. If the expenditure is urgent, sanction should be applied for by wire, and no expenditure incurred without previous sanction will be passed in future. This order should be considered applicable to all Funds—Provincial, Municipal and Local.

No. 24251-84—R. 3538, DATED, BANGALORE, 19TH JUNE 1895.

ORDER THEREON.—In drawing the attention of Officers to the Government order read above, the Government direct that the same be strictly adhered to.

2. Government are pleased to increase, as recommended by the Comptroller, the permanent advances of the Heads of Departments and the Deputy Commissioners of the Bangalore and Mysore Districts to Rs. 300, and those of the other Deputy Commissioners to Rs. 200, to meet urgent requirements, subject to recoupment on detailed bills as suggested by the Comptroller.

3. When, by an order of Government, an advance is directed to be given to an Officer, the order will invariably specify the purpose for which the advance is given and be communicated to the Comptroller. Every such advance must be adjusted by the end of the month succeeding the one in which the advance is drawn, where the date within which adjustment should be made is not prescribed in the order itself.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 11th August 1890.

READ THE FOLLOWING PAPERS :—

From the Inspector General of Police in Mysore, To the Chief Secretary to the Dewan of Mysore, No. 325—73. dated 7th May 1888.

I have the honor to bring to your notice that the Deputy Commissioners of Districts will be constantly indenting for supply of chairs, tables, hand-cuffs, lanterns, whistles, stretchers and other articles of furniture required for their Districts. The expenditure incurred on the above account is either charged to "Printing charges and Office Contingencies" if the item is small, or to the head Equipment and Clothing, if the same could not be conveniently met from the former head.

The Inspector General of Police under the authority vested in him by Chapter V, paras 2 and 18 of the Account Code is sanctioning such expenditure within the Budget Grant.

The Comptroller objects to this procedure, and wishes to be furnished with an order from the Local Government sanctioning expenditure of the above nature.

These, I think, are ordinary charges in the Police Department. If the Inspector General as Controlling or Countersigning officer is not authorized to sanction such expenditure, it will give rise to unnecessary delay and inconvenience in complying with the request of the Deputy Commissioners and necessitate needless correspondence with the Local Government on matters which are but ordinary.

I beg therefore that under the above circumstance you will be pleased to move the Dewan to issue necessary orders to the Comptroller to admit such charges on my authority

From the Comptroller of Mysore, To the Chief Secretary to the Government of Mysore, No. 4454, dated 20th March 1890.

In reply to your No. 9650—613 of the 7th instant (received on the 12th), I have the honor to state that the Deputy Commissioners as disbursing officers may be allowed to incur the ordinary expenditure in connection with the Police, under the heads as per margin, on their obtaining from the Inspector General of Police (the Controlling authority) at the beginning of each official year a general sanction to the scale of their expenditure.

Oil and Petty Stationery for Tannas.
Ordinary contingencies of Police Assistant Commissioners.
Cart hire (while on circuit).
Repair of office furniture.

The Inspector General of Police as Controlling officer may be allowed to sanction the other articles, such as hand-cuffs, lanterns, whistles, stretchers and furniture which are debitable to the Budget Grant of "Equipment and Clothing."

The Government might reserve to itself the right of sanctioning expenditure under the heads of "Secret Service" and "Rewards for good service by Police" on the recommendation of the Inspector General of Police.

No. 5039-48—CIR. 105, DATED 11TH AUGUST 1890.

Sir,

In forwarding the enclosed copy of the Comptroller's No. 2940 dated 22nd November 1895, stating that no advances under any circumstances should be drawn from the Treasury without the sanction of Government or instructions from this office, I have the honor to submit that strict observance of the instructions is not possible with due regard to the emergency of service. It is true that the

permanent advance of this
District has been raised from
Rs. 200 to 300 vide Government
Proceedings No. 2425 F 84 Dated 19th
R. 3538
June last, but the addition of 100 Rs. is
not at all sufficient to meet the
urgent demands occurring in this
District. Military Camps of Exercise
are frequently held and supplies
on large scales are to be made
at short notice. On such occasions,
money has to be advanced to
merchants and contractors. There
will be no time to obtain Government
orders without giving room for
Complaints on the part of the British
Military authorities. On one occasion,
more than 1000 Rs. had to be advanced
for supplying carts to a Regiment.

2. Under these circumstances,
I beg that this District may be
exempted from the restrictions im-
posed in the Comptroller's Communication

above alluded to, and I may be permitted to draw such advances as may be absolutely necessary, subject to a report being made to Government in every case. Due precaution will be taken to adjust advances as promptly as possible. -
